

ELENA RAV18 VERMOUTH DI TORINO SUPERIORE

BIO

With history and heritage as a guide, Elena Vermouth di Torino Superiore RAV18, was born with a clear identity and dedication to the local area. As a Vermouth di Torino Superiore, the appellation regulations stipulate the use of at least 50% Piedmontese wines in the base wine and flavoring with herbs grown or harvested in the region. Given their experience and reputation for production of some of the most renowned wines from the region, it was only natural for Elena and Luca to utilize their skills and resources for their inaugural limited edition Vermouth. Made from Ravera Barolo and Arneis, the sum of the parts ensure an exceptional whole.
