WINE STORY

Vigneto du Lot is a companion to Inama's Vigneti di Foscario that is intended to show a different side of the amazingly versatile Garganega grape variety. The vineyard (vigneto) is planted on a particular rootstock (*Vitis rupestris* du Lot) that yields grapes of exceptional concentration. The southwest exposure results in riper fruit, which provides a wine with golden color and a powerful character that is enhanced by a touch of new oak.
